

All employees and visitors must wear facial coverings.

Thank you for allowing us to serve you.

Exceptions:

- Children younger than 2 years old
- Any child who cannot safely wear a facial covering
- While eating or drinking
- While at an outdoor facility
- While pumping gas or using outdoor equipment
- When facial covering poses a greater risk to physical or mental health, such as during intensive exercise.
- When in a facility that requires screening or surveillance, like a bank.
